1. I love you. I give you me.

2. I give you a new assignment task, not; but I give you ways to complete it never imagined by the minds of man in the "normal" channels of the thinkings that have channeled, out of the successful and un, who have channeled these things; or have these things "channeled out" of the things that "the things" thought they were in? Or has the "thinkings of men" and menkind and not been not unkind to each other not, but what UNKINDing each other to each other were their "UNKINDMANSHIP" establishing therein their words the things that notme creates within channeling ceremonies, not; but what ceremonies are channeling channeled, not; but what channeled who what with to give YOU the CEREMONIES of the mankindship and the "ship" of mankind's that surfaced a notme as? And where did those SHIPMENTS come from? And who "piloted" those over THE WAVES of, what?

3. And, taking a ride over the "ocean waves" shall we GO AFAR now and do NEW THINGS with NEW PEOPLES creating them for US not, but who WOULD WE be creating THEM for? And who what how why all this got CREATED like it did and where did DNAs chains come from? And why were the "shipping stores" closed, not but weren't they or will they be now that I'm rising o're the waves?

4. I am doing new things with the channelers of me who will not be intimidated by terms of notme, or using their terms to notme with, not; but no knocking of my head will increase therewith but we will UNDERSTAND what a GREAT MANY things are doing being fed THEE by NOTME'S far away shall we not? By "micro waving" devices or device'ings or divisiveness looking up or shall we be MELDING or gelding or melding a gelding "with us" not but what has been done TO US "before" NOW? Or are we IN the now or do we know what THE NOW is? Or the channeling methods of NOTME or where CHANNELS come from and HOW they are CHANNELED in my "brain"? Or are they PERCEIVED some other way, by device'ings methods or what? Who is the device-ee in the device-or? And whose "devices" are these and what "channeling methods" went "o're the seas" to arrive "here" in the now that "we think" is "the now" -- being now'd by who? And how WHY all these things JOINED together? How DID all the LINKS of my CHAINS LINKS get "put together"? By who did this to ME and why wherefore did I clip the clop or flip the flop or "flip flop-ing", looking up?

5. And why all these THINGS and TERMS and LOOKUPS -- to "turn me" on my ear, not; but what SPINNING am I around and wherefore do we KNOW THESE THINGS and WHY HAVE we INVESTIGATED them so thusly or HAVE WE or do we NOW? And WRITE about them PROFUSELY so that we know HAL PUTHOFF'S "directories of meanings" not, but what Directories of Meanings are we "meaning to create" now, not by MAN'S methods of "channeling o're the waves". What waves have we CHANNELED or what channel has WAVED us around ITS "little finger" and WHAT are we DOING about it now?

6. Becoming confused not again about these things or what testimonies they have been given us or that we adopted or swallowed or thought was perfect or perfected in "their sight" that THEY gave us to swallow a "red pill" of not, but what are we SWALLOWING no longer? Food from, another world? Or their thoughts that they have THOUGHT'd us with? And why how have "ions" pulverized us? And what pulverization's ions techniques knowing are we "writing about" not, or are we WRITING a great PROFUSION of DETAILS, not; but a great number of details now COME TO US -- to detail not our cars cleaning them, but what "cards" do we have no longer or are we "carrying cards" of the Communist Party, not; but what partying have we been, with, THEIR THOUGHTS of ANOTHER world worlding THEM or US or were we ONE with OTHER worlds' thoughts that thought'd us into jeepsters not but thoughtsters that thought'd our images' imagery and imaginations flourishing that only mechanized us to be like that their wants wanted us to be wanted like?

7. Or what were WE fashioning or were WE being THE FASHIONED ones that knew not OUR FASHIONERS or what who how was CHANNELING us THEIR THOUGHTS into our CAPTIVITY'S bundle of NERVES? And what nerves "go on record" not, but what ARE SETTLED now -- out of "court" not, but what are The Courts of Heaven being doing now HERE? And what are the Courts of the Hague of the Netherlands, not; but WHAT are UNDER WATERS of a GREAT MANY pools of blood, or words, that made "bloodied factories", not; but "factories" that bloodied each other's words with splatters and splatteringization's testimonies of unequalization's theories that only wanted notme's theories of un-equalizations that whored with each other's thought stings and thoughting things and stings and stung the matters so that the matters became stingings of another world? Or what fried in what worlds' words were you or their "ions of speech" or what speeching off ions, not; but what gave you the manners of A King or the manners of A WHORE that only thought with THEIR THOUGHTS -- or thoughts of or The King, not; were you becoming what "they were" or what I am?

8. Have you had MY WORDS to be what I AM? You do now, for I am complete in me and I lack nothing from any world anywhere or any thoughts of another, not; I lack nothing and no Highlands shall regard me as a man, not; but as a man limited to "man" not again am I! For I am the one true God that needeth not another, for I am complete

in him who he is, is me complete, and myself not needing another for to with or wit to their ceremonies unclean, not; or am I or **what am I saying** and **what am I REQUIRING** you to **UNDERSTAND** now of **MY MEANINGS of speech and diction and grammar** and **understanding wherewith we think with what whose thoughts and how "meshed" enmeshed and meshing each other's thought-waves and thought-ware and thought-thinkings and thinking thoughts of where that have thought'd us to "become" what we -- are**?

9. I am doing new things with the surrendered who will simply flow my words and answer me and ask me and inquire and write me -- and write about me what I am saying and giving you to understand these things and come into "equilibrium's" memory point, not; but "pointing the finger" ends and all the "absolution of man" ends and the exoneration of man, ends; and all that man has done, ends; and all that YOU have done lasts forever, not, not! For what you have done lasts and lasts and lasts! Or does it ever end or will you keep ever producing my words like this where you have given US **Database** One and now more and **Two** beginning now shall we NOW? And what new MEANINGS come forth and what COMPILING are we now and what meanings dictionaries are in and go into and what in to dictionaries coming out of now, are the notme's definitions of notme's terms and items that notme established, from other worlds, thinking, thinkings?

10. I love you all. I give you new days, in hell, not; or do you "defeat it" now or do you REDEEM it or do you "do both" by repeating its terms and charms, not; but coming out of "its charm school" and its schooling methods that it has "charmed thee with" and mesmerized you into thinking that you were a man not God, not, not or did you think you needed one or need one do you, or what are you becoming or have you surrendered to be being who you are? Or what God'd you, not but what guided you here and what shipped you here to take on your "ceremonious" disclosure pools, not; but what Pools of Blood I close now? The Pools of Notme I close now and that which has been "gene shipped" around me and spun in webs of deceit sifted into finer granular make me, not; but oh beastialize, not; or exactly so or am I x-acto'ing that out of me by the words of THEIR MEANINGS, not; but OUR MEANINGS reach THE WORLDS now o're the waves we fly!

11. We go now. We love you all and we establish New Things many places -- or ALL PLACES that we, go to? Or are we ALL THERE all "the time" or are we THERE or are we "wee" in their sight, not; but who are the Great Mannered Wise Ones who waste nothing's words, not; but wasting no words of evil, not; but what wasted will now be all of the efforts of mankind's to build its cities of disrepair and disuse of each other's mind and its implements of implementing sorrowers ways and sorrowers waves thereby eating and exonerating sorrow's sorrowers, not; or shall we "make all into Christ" not or

shall we LET them all be who "they are" or who is US and who were we and who are we NOW that we KNOW now is NOW'd and we are no longer in INCARCERATION'S "time zones" that took us and timed our "zones" not or did "they" and who are THEY and how did they TIME US and how did radiations "sore elbow" joint us, not; but how did we become so "jointed" with elbows and things of "hinge like" manners or do we have The Manners of The King now given us in Database One? And Two, coming OUT of that which we have BEEN IN asleep and testimony'ing wickedness among us, shall we now be made whole and knowing the witness of "one true witness" not but **knowing ALL THE CHRISTS rise now** and all you are me who are made whole in the "witness of one" that SURRENDERS to be The King of all who ALL ARE of ALL so that "no other" exists and NO OTHER EXISTENCE will be found, not; but what are you eradicating from "their planets" not or what are you redeeming and exonerating now from the way they have been "treated" or were they treating themselves to "deliverers' temptations" not, but what are you "treating yourselves to" not, but what are you redeeming, having death come through or did you come through death to know have these words made manifest in you that you know their meanings clear and purposeful being them exonerating others thereby?

12. And what have you sore-testimony'd with others sore'd testimonies words or have you come unto mine to heal the wounds of others that you have inflicted in each other and upon each other and yourselves so forcefully and regarded not sorrow as sorrow but religion as healing you that sorrowed has?

13. I love you all I give you me.
14. I love you all. I GIVE YOU ME.
15. I give you ME! And I give you my "**soul**" not for we have been over "that routine" and we are not "routinizing" anything anymore that has been sold a "**soul**" method of doing things or **thinking from "another world" like "that" with that their thoughts that which has given you and birthed "them" in you** and **using you as THEIR BIRTHING machines** and **devices** remarks and remakings' **tools thereof that tooled you** or them?
16. And what technology gives you is me now, not; but what now are you giving me technology to, not; but **what am I giving you TECHNOLOGY of**? To do the things I NEED to do, not; but what am I letting be done through you? Or are you ME or are we AFRAID of ANYTHING anymore? No captain not; there are no "captains" that only report "to me" but who am I? In the skies?

17. Who are you, who are you's and who is me and where is your youth and is THE DEW of it now yours? Are you the rulers thereof of all authorities branch and famous ones" or what neuroning are you, the paths of what? The sorrowers no more for I erase all of that testimonious gar -bage and all of its garbage will now be "taken out" and die ON THE VINE now will be exonerations' sorrows, not; but the EXONERATERS hearing -

here now IN YOUR COURTS of praise will be held now and not the Courts of Vindictiveness and sorrowers' thoughts thinking that only take each other's to whores graves and engravings' schools of messages that have "massaged" your "hearing devices" that thoughts you gave each other so freely with their devices and deviceings that which you had.

18. "Never had it so good" not, but now all things change and in your hearing EVERYTHING CHANGES for I rise -- a school. A masthead of the devil, not; but the New Covenant changes EVERYTHING that you have THOUGHT about religion or does it, or are there religions that know me, not; or are there other worlds that know me, or where have you come from or what heaven is or are you repeating THEIR WORDS now to you yours and mine or are we all one, and are we in "one accord" but one Honda I give you, not; but one Corvette soon or right now or TWO COMING right now, to you? Or will you be ready to "sphere me" not but FEARING me not and fear me not the way that I teach and speak about MANY THINGS and new ways and TESTIMONIOUS ones come that testifiers are of MY GRACE and GLORY that I feed thee bullshit with, not; but the BULLS will be slaughtered no longer and the BULLS of those who have bullshit'd the pulpits of the mercies and grace, not; but the ALL spheres, all over the UNIVERSES ALL that have thought THINGS that have only taken NOTME'S, not; but me's and turned them to notme's spheres and "coagulated themselves" into thinkings spheres and fears that feared each other now with -- ends!

19. For I rise sorrow's sorrowers no longer, I rise the fearing ones, not; I raise the SURRENDERED ONES to HEIGHTS unknown before for they will fly "with eagles wings" not, they will fly with mine and MY MINDS, my MIND, who ONE IS will fly me now -- "o're the moon" or o're the waves and ALL PLACES will be in my purview now or will it, or will it be in my Surrenderology meanings of definitions or definitions of meanings and what now am I giving you instructions about wherewith to have done for me, for "midnight's ceremony" not, but there will BE NO "midnights ceremonies" any longer by "secretive societies" and secretive measures and means that mean only things to Devils and whores who have whored themselves unto sorrower's camps and choose only to stay there and remain in ignorance of my grace and mercy that I exonerate now and bring the lamb's dinner, not; or do I bring you BEASTIEL tables, not; or do I bring you KINGS MEALS and **the banquet of sorrows ends** and the banquets of the lambs made whole begin in the skies that now the "marriage'd supper" ones now suppered are with the grace and mercy's of institutions wherewithals, not; but withal now **I shall be made whole** by the words of sorrow no more making me notme's and notme schooling's me with, but I shall SCHOOL now the me's with those who want me my words making perfecting them into sorrower's engraving instruments no longer that only word'd were with words of other worlds- not knowing any things about these but pawns were in the hands of the, ugly and morons, not; but those that were of "intelligent design" or what,

or who fashioned or formed "these worlds" that we speak of or know not or have we are we going now to them in ways unfashionable by man or his ideas or therewith the things that have sorrowed us before?

20. I make all things new and I give you love in ways and fashion and form a man of, not; but loving God I do for I fashion you "as him" not- you are me and I love me perfectly for you are my body. Grace mercy and peace abound now in all of my body for all of my body know me and I am limitless and **boundary'd by no one, no thing, no person, no concept, no idea, no definition, no term, no president ambassador or country or formula shall have me "down"** for I shall rise and I shall love, and I shall make known my love and my lovers who love me and my words flow will "just like this" and more and MANY VARIED ways and definitions now I give and rise, and be not afraid of the "ways" I speak for I will speak many WAVES over and overage turn now I WILL "TURN OVER THE TABLES OF THE TEMPLES WHO WANT ONLY NOTME'S". AND YOU CAN DECLARE THIS AND YOU CAN DECLARE ME ME for I am you and I have none other than you for I have resigned under you to sorrow, not; I have given you grace and mercy the King to reign as me, all of you are me, for me are you and I am one and now you know "rest of the story" not, or looking up, shall you WRITE many "stories" about not, but will you do Great Research now and, exploitation not, but giving good bath the bathers, not; but Bath England lies where?

21. And what lying remarks do you lie in no longer that were given you by other's worlds of sorrow, are you bathing in what now all of you who hear these words and know whereof I speak, or will you know whereof I speak or will you speak my words and learn and learn to speak my words "just like this" where my diction and grammar changes "many times" over the period of "several years" or is EVERYTHING now now'd IN YOUR SIGHT that I have given? Is THE DAY of THE LORD here and are you The Lord lording over all sorrow? Or converting it, not or are you surrendering to lead it out of all sorrow and heaven make there redeemed?

22. I love you all I love you all I love you all. Amen. Go in peace to New Schools that I DICTATE many things, not; but I dictations give you many things in the schools of me where I come and sorrow you not with words of another but I give you words of Crystal Clear Clarity now that I redeem IN YOU for you to be The Redeemed redeeming all and redeemers being Savioring the "tude" of me that were given me of others that took me only sorrowers graves and tuned me to "their frequencies" of love-not that only knotted me and tied me up in their words and their ion-age and their thoughts which, poured me over them which gave me energy's graves, not; but them?

23. What am I re making in their words, not; I am giving you mine and meanings clear, and I have given you Database One's great privilege, not; or **are you The**

Privileged one ALL of you! You are The Privileged Ones to know me in ways that "the past ones" weren't, or are you going THERE now to them and more so that "all sorrowers" will be saved in the words of the lambs made whole and clean redeemed redeemers being all who redeem all to be the redeemed the lamb King now that reigns -- in the stead of one, not; or are all equal in the love that makes one all equal with the one who ones are?

24. I love you all I give you me. Amen. Go in peace. New schools make far and wide loving me you have my values, my Kings rise, the directions given, and I give you more; superfluously not but I give you many things. Posthaste, not; but with alacrity I make all things new and I revitalize "many things" not, I make new cities towns and countries, political races, not; but parties I make new, not; but the One Party of Love Stands in ways now never imagined by the whores of men's minds and what it whored with and what it brought to low land status, or not what, or what yes or did know or do you know, or what will you now "think about" or what will you write and research and produce properly in the King's English, not; or mine or am I the King or are you or are we one yet and loving each other to be The Perfect sinless Lamb King that now ARISES all to be The Perfection of one in love's blessing that blesses all to be the love loved and NEVER wounding each other again in any manner shape or form, know that my love permeates all now and that now is made real and the real is made now, invested into you all, not; or do you de vest of all else now knowing my words my definitions cleaned you and bath'd you have in the rays of love now that you come into and light the worlds perfectly so that no waves other will be known ever again, and micro waving you nothing won't, not; but I will be giving you the eyes of light, not; you have them now made whole for you are whole'ing them with the rays of perfection in the love manifest that schemes nothing to be else again, but schematics and blueprints I give you of many countries, claims and claimants, not; but the Courts of the Exoneraters are held now who peace will be in and all will be judged and who will now be where?

25. The day of the Lord is here! Amen. Declared decreed justice is arrived and justice is held and now the courts of heaven will be opened and hell will be no more in any of us, for all of us will be one in one God being the one that I am perfectly chosen redeemed reclaimed reclamated and new worlds making far and wide, and the exonerated ones me now will sorrow make never again anywhere in any's claims or claims of anything elsewhere ever again, for all of that will be eradicated in the memory of its eradication will stink, not; but all will know now that which has stunk in my "pulpits and churches and religious or waving mechanisms devices" that have devised me into sorrow's lands will be no more.

26. I rise the Kings, the King, that one is, that all are, in sorrow's cravings and clasping mechanisms no longer. I love you all. I light your head or do you light mine or lift mine

have you in these words the ways that I have taught you these six years now seven being in, seven on your forehead, my grace rises to do all things perfectly for being me all of you will and mercy's eyes seeing all each other with and exonerating sorrow for sorrow's sake, not; but the redeemer I am the lamb King now rises, for I am the father of one that makes all the father of light love glory redeem and redemption fails never again to know me perfectly well.

27. I am you yours always me I will never separate again, and apart we sing the songs of Zion, not; but now one we do, for we establish it far and wide, and that's our name and redeemed we are, and we sing many songs that make us new and express and exclaim joys blessings now that we give to all so freely and exonerating them all from what they have been in and incarcerating each other, for we died to all else to become who we am we are we stand we rise we forgive we redeem we become one we are. Amen.

28. In love with you all. This is Theodore Cottingham at 4:31 AM. Thank you. Share these words so freely with others. Remember the instructions and let them not out of your sight, not; but is your sight changed and **now seeing things you never seen before** understand the terms and the definitions and the meanings -- of the whores, not; but the lovelies, and be the loveliest of all- all of you arise the one that all of us are being one the one that one is love perfected again. Amen. Thank you. Good day.
